

Supervised Visitation is parent/child contact overseen by a third party, in which the primary focus is the protection and safety of the child and adult participants.

Member programs provide an array of supervised visitation services, including:

- ✦ supervised exchanges
- ✦ supervised visitation (on site or in the community)
- ✦ supportive supervised visitation
- ✦ therapeutic visitation

Families can expect:

- ✦ a plan for safe arrival and departure and the safe use of the service
- ✦ a focus on children's needs and reactions
- ✦ information on community resources
- ✦ case management and collateral contacts
