Shirley Tootiani for formatting everything with care and speed.

Massachusetts Continuing Legal Education, most especially Maryanne Jensen, Director of Publications, and Annette Turcotte, Production Manager, for their continued support.

Massachusetts Law Reform Institute colleagues for help during the *Legal Tactics* marathon, my sounding board Judith Liben, Rochelle Hahn for building MassLegalSevices.org with legal tools for advocates, Georgia Katsoulomitis for raising the resources to do impact community legal education; and to Lily Yang and Daniel Mahoney for their work to make *Legal Tactics* electronically available.

A very special thank you to Caroline Robinson, Director of MassLegalHelp.org, our state website with community-oriented legal information. Caroline's skill and dedication resulted in new plain language pullouts for all 18 chapters. Caroline also provided enormous assistance at every turn to take this book home.

And to Kenny Riaf and Ian Duke Riaf, thank you for your support when the work comes home. But then again, that's what it is all about – a place to call home.

Annette R. Duke

To our colleague David A. Grossman
for expanding the circle of those doing the work
