DOR Employment Verification

What You Need to Prove		Examples of Proofs You May Provide
<p>Employer Information</p> <p>For Whom: Z [REDACTED]</p> <p>DTA has received information from a computer match that your household may be employed at:</p> <p>Employer: CITY OF NEW BEDFORD Address: 133 WILLIAM ST NEW BEDFORD MA 0274 FEIN: 046001402 Amount: 1,120.00 Start: 12/08/2012 End:</p>	<p>If you do not recognize this name - or it is not the same name on your pay stubs - it could be the "parent" company, a payroll company or the former name of the company. If you already reported your wages, ask DTA to contact the employer about the change in the employer's name.</p>	<p>You must provide verification of your current income. You must provide the pay stubs received for the most recent four weeks worked or a letter from the employer with this information. If no longer employed, you must provide a letter with your date of termination.</p>
<p>DORMatch</p> <p>Amount listed is for a 3 month period (a "work quarter"). It might not be right</p> <p>"Start" date list is usually NOT the date you started the job. DTA notices have been inserting the date the SNAP household applied for SNAP or the start of the current "Certification period."</p>	<p>FEIN= Federal Employer ID Number. Do you have other letters from DTA with the same FEIN? If so, DTA should NOT ask for proof of this employer again.</p> <p>Close</p>	<p>Agency</p> <p>The federal SNAP rules say you can provide other proofs or you can ask DTA for help getting proofs including having them call the employer as a "collateral contact". See 7 C.F.R. § 273.2(f)(5).</p>
