What is the clothing allowance?

.....
The Department of Transitional Assistance (DTA) pays the clothing allowance for children who are eligible in the month of September. The payment is \$500 for each child in the family getting TAFDC (welfare) cash assistance.

Can my family get the clothing allowance?

You may qualify for the clothing allowance even if your income was too high to get TAFDC before.
TAFDC income limits go up for the month of September.
