Housing Search Agencies

What follows is a list of agencies that provide housing search help and other types of housing assistance. These agencies include Regional Nonprofit Housing Agencies, Community Action Programs (CAPs), Housing Assistance Programs (HAPs), and other programs. There is overlap among these lists.

Regional Nonprofit Housing Agencies

There are nine regional nonprofit housing agencies that provide access to a variety of different housing programs. They administer more than 15,000 federal Section 8 rent vouchers on a regional basis and 2,000 state rental vouchers. They also provide access to other housing services, homeownership opportunities, and homelessness prevention resources. The regional housing agencies are all part of a network called the Massachusetts Nonprofit Housing Association. For more information, go to:
